

CLEANING NINJA

Sunshine Marina is on the hunt for a Cleaning Ninja to join our team for the 2023 season. The role requires the applicant to have the ability to adapt to a variety of tasks with strong communication skills and hospitality cleaning skills. The ideal candidate has cleaning experience combined with a positive, keen attitude.

Our robust operations include charter houseboats, various motorized and non-motorized small water craft, a marina store, floating restaurant, waterpark, boat moorage, mechanical services, and a small campground. The diversity of our business means every staff member has to be flexible and open to doing different tasks on demand. The short season also means the learning curve is steep, and adaptability is a skill any staff member benefits greatly from.

We are located on beautiful Lake Koochanusa, 100 km from Cranbrook and 70 km from Fernie in beautiful South Eastern British Columbia. We pride ourselves on providing a fun environment with amazing customer service. If you love being surrounded by sand, water and a great team of people, join us for 2023.
