

LIFEGUARD / WATERPARK ATTENDANT

Sunshine Marina is seeking Lifeguards/Waterpark Attendants to supervise our inflatable Waterpark for the 2023 season. Lifeguards are an integral part of our operations. The role is physical with a solid dose of customer interaction that will keep any extrovert having fun. The ideal candidate has lifeguarding experience combined with a positive, keen attitude and a love for lake-life.

Our robust operations include charter houseboats, various motorized and non-motorized small water craft, a marina store, floating restaurant, waterpark, boat moorage, mechanical services, and a small campground. The diversity of our business means every staff member has to be flexible and open to doing different tasks on demand. The short season also means the learning curve is steep, and adaptability is a skill any staff member benefits greatly from.

Our marina is located on Lake Koochanusa, 100 km from Cranbrook and 70 km from Fernie in beautiful South Eastern British Columbia. We pride ourselves on providing a fun environment with amazing customer service. If you love being surrounded by sand, water and a great team of people, join us for 2023.
