

CAMPGROUND HOST & CLEANER

Sunshine Marina is seeking a Campground Host or Host Couple to join our team for the 2024 season. The host(s) will be responsible for managing the Gold Bay Recreation Campground next to Sunshine Marina. The role requires a host with strong communication skills, keen attention to detail, who is physically fit and who loves being on a beautiful lake.

Gold Bay Recreation Campground has 28 non serviced sites. The campground is well shaded, on the waterfront and just 800 metres from Sunshine Marina. It has 3 pit toilets, individual fire pits, picnic tables, a rustic launch and a day use beach.

At Sunshine Marina, we operate charter houseboats, small water craft, a marina store, floating restaurant, waterpark, boat moorage, mechanical services, and a small campground. The diversity of our business means every staff member has to be flexible and open to doing different tasks on demand which also applies to the host. Often our campground hosts work part time at our Marina as well.

Lake Koochanusa is located 100 km from Cranbrook and 70 km from Fernie in beautiful South Eastern British Columbia. We pride ourselves on providing a fun environment with amazing customer service. If you love being surrounded by sand, water and a great team of people, join us for 2024.
