

DOCKHAND

Sunshine Marina is seeking Dockhands to join our fun, hard working team. Dockhands are the backbone of our operations and get to play an important role in almost every facet of the business. The role is physical with a solid dose of customer interaction that will keep any extrovert having fun. The candidate needs to like people, water and sunshine.

Our robust operations include charter houseboats, various motorized and non-motorized small water craft, a marina store, floating restaurant, waterpark, boat moorage, mechanical services, and a small campground. The diversity of our business means every staff member has to be flexible and open to doing different tasks on demand. The short season also means the learning curve is steep, and adaptability is a skill any staff member benefits greatly from.

The marina is located on Lake Koochanusa, 100 km from Cranbrook and 70 km from Fernie in beautiful South Eastern British Columbia. We pride ourselves on providing a fun environment with amazing customer service. If you love being surrounded by sand, water and a great team of people, join us!

TERMS OF EMPLOYMENT

- Job is Temporary Full Time 35-40 hours per week.
- Starting: June to September
- Wage: Dependent on experience.
- Must be legally available to work in Canada. We are unable to sponsor any applicants at this time.
