FOOD PREP & COUNTER ATTENDANT

We are looking for staff to work at our Dockside Cantina (floating restaurant) at Sunshine Marina located on Lake Koochanusa, BC. The restaurant has a mix of simple ready-made items, as well as hot dogs, tacos, burritos, fresh salads, ice cream, slushies, specialty coffee and more. Ideal candidates have food industry experience in addition to food preparation and entry level cooking skills.

Our robust operations include charter houseboats, various motorized and non-motorized small water craft, a marina store, floating restaurant, waterpark, boat moorage, mechanical services, and a small campground. The diversity of our business means every staff member has to be flexible and open to doing different tasks on demand. The short season also means the learning curve is steep, and adaptability is a skill any staff member benefits greatly from.

The marina is located on Lake Koochanusa, 100 km from Cranbrook and 70 km from Fernie in beautiful South Eastern British Columbia. We pride ourselves on providing a fun environment with amazing customer service. If you love being surrounded by sand, water and a great team of people, join us!
